**Cabinet:** (2<sup>nd</sup> floor) Medical University of South Carolina and the Rosalind Franklin University of Medicine and Science

12:15-1:30 pm

**Plenary Session #2** (Pre-function area of Terrace Ballroom, lobby level)  
(Lunch will be served)

***Interprofessional Approaches to Improve Patient Safety and Clinical Effectiveness***

University of Washington

➤ **Pamela Mitchell RN, PhD**

Professor, Associate Dean, and Director of the Center for Health Sciences  
Interprofessional Education and Research

1:45-4:30 pm

Breakout session with 4-5 participants, each from a different institution. The format will be that each participant will give a brief presentation about their proposed interprofessional prevention project, the group will be able to ask any questions, the presenter will then step back and others will discuss their proposed project, and finally the presenter will re-enter the group, respond to what they heard, and indicate what changes they might make in their approach. The same sequence of steps will be repeated for each group member. See the "Step-back" Group Consultation Activity under Tab # 5.

Institute faculty and members of the Healthy People Curriculum Task Force will serve as facilitators for this session.

**Meeting Rooms**

**Terrace Ballroom:** lobby level (Groups 1 - 5)

**Directors:** 2<sup>nd</sup> floor (Groups 6 - 9)

**Congressional:** 2<sup>nd</sup> floor (Groups 10 - 13)

**Cabinet:** 2<sup>nd</sup> floor (Groups 14 - 15)

4:30 -5:00 pm

Feedback about the day's events – What went well? What could have been improved?

5:00-6:30

Reception – Pre-function area of Terrace Ballroom and Patio

**Day Two**

7:30-8:30 am

Continental Breakfast (Pre-function area of Terrace Ballroom - lobby level)

8:30-9:00 am

New insights acquired as a result of participation in Day One

9:00-10:15 am
